Merry Christmas!

Hi All,

I recently attended a meeting with all the leaders of the faith based coalitions for Habitat. As discussed in our last meeting, the purpose of this meeting was to explore the idea of combining the individual groups into a single organization.

There was good discussion on the idea, and in general, all groups were supportive of it. The main action item from the meeting was to bring this back to our committees for further discussion.

I have a follow up meeting with this group in mid-January. As a result, we need to reschedule our January meeting so that I can get your input prior to that. I would like to reschedule our meeting for **Monday, Jan 9th at 7:00 pm.**

Let me know if you are able to attend. If you have any questions prior to our meeting, you can contact me directly.

Thanks,
Mark Stevens
