

Help Build our Perinton House for Flower City Habitat for Humanity!

Buy a Square Foot and Lend a Hand

- The Perinton faith community is building its seventh house for Flower City Habitat for Humanity in 2017.
- You can help by buying square feet @\$50 to help us raise the \$65,000 needed to build. Handsome certificates are available if you would like to honor someone for a birthday, Christmas, anniversary, any other special occasion, or honor the memory of someone special. Contributions may be tax deductible; consult a professional tax advisor regarding your eligibility.
- You can help by volunteering to spend a day working side-by-side with the future owner to help build our house in 2017.
